FOUNDATION

WHO WE ARE

Hunt Heroes® Foundation (HHF) is a non-profit organization that focuses its efforts on supporting the Military men and women who live in our homes and neighborhoods and the communities where Hunt employees live and work.

The HHF supports growth and development by funding projects that address community challenges in the areas of health, education, housing and overall community support. Its focus is to improve the quality of life for military families who sacrifice so much for us day-in and day-out.

VISION

To offer support and outreach to the communities where Hunt military families live and work. To bring focus on helping our residents and employees reach their best potential through partnerships, donations and activities. The HHF will strengthen the bond between Hunt, its residents, employees and communities.

MISSION

The HHF will proudly serve our military families, partners and communities through opportunities and ideas generated by our people and partnerships. Together, the HHF will discover new ways to ensure we help bring a positive change to the communities in which we live and work.

Hunt Heroes® Foundation is proud to partner with **wear blue: run to remember**, a national nonprofit running community that honors the fallen, the fighting and the families within the U.S. Military. So far, the Hunt Heroes® Foundation has donated more than \$25,000 to wear blue, and helped orchestrate more than 50 runs throughout the country.

Focused on supporting all military members and their families, HHF also formed a relationship with Stop Soldier Suicide, the first national, veteran-founded-and-led 501(c)3 nonprofit focused on military suicide prevention. Today, the risk of suicide is 22 percent higher for veterans than for those who have not served.

HHF supports military communities by orchestrating Helping Hands Day where employees volunteer their time at more than two dozen organizations and give back to those impacted by forces of nature like hurricanes and tornadoes.

“...it is through efforts of community partners like you that allow us to continue the quality care and services that we seek to provide our deserving residents.”

-Thomas Sotomayor, US Department of Veterans Affairs

Together, the HHF will discover new ways
to ensure we help bring positive change
in the communities where we live and work.
